

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

LIANG WANG,

Plaintiff,

v.

ALEJANDRO MAYORKAS, Secretary,  
Department of Homeland Security,  
MERRICK GARLAND, Attorney  
General of the United States, EMILIA  
BARDINI, Director of San Francisco  
Asylum Office,

Defendants.

CASE NO. 2:23-cv-1340

ORDER GRANTING DEFENDANTS'  
MOTION TO DISMISS

This matter comes before the Court on Defendants Alejandro Mayorkas, Merrick Garland, and Emilia Bardini's motion to dismiss. Dkt. No. 8. Plaintiff Liang Wang did not respond. For the reasons stated below, the Court GRANTS Defendants' motion and dismisses Wang's case with prejudice.

Wang, a citizen of China, applied for asylum in the United States in 2016. Dkt. No. 1 at 2. On August 28, 2023, Wang, proceeding pro se, filed a writ of mandamus requesting that the Court order the United States Citizenship and Immigration Services (USCIS) to adjudicate his Form I-589, Application for Asylum

1 and Withholding of Removal. *Id.* at 5. After interviewing Wang, the San Francisco  
2 Asylum Office issued its decision on his asylum application on January 11, 2024.  
3 Dkt. No. 9 ¶¶ 2-3.

4 Defendants now move to dismiss Wang's complaint for lack of jurisdiction,  
5 arguing that Wang's claims are moot because USCIS has issued its decision,  
6 therefore, there is no further relief for Wang concerning his asylum application.  
7 Dkt. No. 8 at 3-4. Because Wang's application has been decided, this Court can no  
8 longer provide him the relief sought.

9 Accordingly, because Wang has obtained one of the forms of relief requested  
10 (adjudication of his asylum application) and USCIS has issued its decision, the  
11 Court GRANTS Defendants' motion to dismiss, and DISMISSES Wang's complaint  
12 with prejudice.
